Dear Eunice:

The Board of Directors of the Los Feliz Improvement Association extends condolences to you on the loss of your husband. Doug was a faithful member of the LFIA Board in the 1980s. He contributed much to the History Committee when we were compiling data for the "Los Feliz Historic Survey" in the 1990s. He donated several historic photos and all of his Hoover Realty files which were full of information. The most interesting thing he did was to tell stories about some of the homes in the neighborhood that he knew from personal experience. LFIA used many of Doug's photographs in our publication "The History of the Los Feliz Improvement Association." His stories became part of the house data in the History Committee's "Los Feliz Historic Survey" which is now available to the public at the Los Feliz Library reference desk.

He contributed so much to the Los Feliz community and will be greatly missed.

Sincerely,

Marian Dodge, President
