City Hall, Room 480
200 N. Spring Street
Los Angeles, CA 90012

Dear Rory:

The Los Feliz Improvement Association extends to you its deepest condolences on the loss of both your mother Rosemary and your father Stephan. Losing one parent is hard enough to bear; losing both within such a short period of time must be devastating.

Because your mother was the librarian at John Marshall High School for more than twenty years, LFIA is donating books to the Marshall library in her memory. Each book will have a book plate identifying it as having been donated in her memory.

Given time, the sad memories of the last year will fade and you will remember all the wonderful times your family had together.

Sincerely,

Marian Dodge, President
