John Marshall High School

Los Angeles, CA 90027

Dear Mr. Harrison:

The Los Feliz Improvement Association (LFIA) is pleased to donate \$100.00 to the John Marshall High School library in memory of Rosemary Fitzpatrick who was the Marshall librarian from 1953 to 1975. Rosemary is also the mother of Council District 4 Chief Deputy Rory Fitzpatrick who is a graduate of Marshall. Since his mother favored the classics in literature, it is his wish that the books selected be classics.

The LFIA is providing book plates for the purchased books to identify them as being donated in Rosemary Fitzpatrick's memory.

Sincerely,

Marian Dodge, President
