Barry Sanders
 President, Board of Recreation and Parks
 221 N. Figueroa Street, Suite 1510
 Los Angeles, CA 90012

RE: My letter to you on August 24, 2009, and your reply to me on September 11, 2009, regarding LFIA concerns about Park Rangers.

Dear Mr. Sanders,

I expect that the city works according to a different time frame from the rest of the world, at least that is what I infer from the lack of response from Kevin Regan to my letter to you, despite your assurance to me in your reply of September 11, 2009 that you instructed Mr. Regan "to be sure that [my] letter receives a prompt response." Furthermore, I understand that Mr. Regan made specific announcements regarding the Griffith Park rangers last night at the Greater Griffith Park Neighborhood Council's Parks, Recreation and Open Space Committee meeting that suggested that Recreation and Parks had unilaterally (i.e. without community input) already decided many of the issues about the park rangers that are of great concern to Los Feliz. It might be instructive to remind Mr. Regan and other Recreation and Parks employees that they serve the citizens of Los Angeles. Our organization, which represents a very large segment of the neighborhood abutting Griffith Park, is once again very disappointed in the lack of courtesy and attention to our concerns as evidenced by the absence of a timely response to our August 24th letter to you.

Sincerely yours,

Donald A. Seligman
